COMPANY PRESENTATION

Safe Harbor Statement

The material in this presentation contains certain statements that are neither reported financial results nor other historical information. These estimates are forward-looking statements within the meaning of the safe-harbor provisions of the securities laws.

These forward-looking estimates are subject to risk and uncertainties that could cause actual results to differ materially from the expressed in the forward-looking statements. Many of these risks and uncertainties relate to factors that are beyond Southern Copper's (SCC) ability to control or estimate precisely, such as future market conditions, commodity prices, the behavior of other market participants and the actions of governmental regulators. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this presentation.

SCC does not undertake any obligation to publicly release any revision to these forward-looking estimates to reflect events or circumstances after the date of this presentation.

Copper – The best Fundamental Story in Commodities

COPPER MARKET SOLID FUNDAMENTALS

- Expecting market deficit of 350K for 2026. Inventories at 15 days of consumption.
- Demand: China economic measures, resilient US economy, new demand from energy transition and AI technologies support long-term copper demand. Impact of US–Iran war.
- Supply: Challenges for developing new deposits. Additional supply coming mainly from expansion of current operations. Possible recovery of production Grasberg/Cobre Panama.

- (2) Production and primary demand outlook based on Wood Mackenzie Global copper investment horizon outlook Q3 2024.
- (3) Copper consumption under the "net zero" scenario based on Wood Mackenzie's Copper energy transition outlook 2024. "Others" includes other ICEs and grid-related.

Increase in Total Copper Demand (Mt)⁽³⁾

Southern Copper Strengths

- Highest copper reserves of any listed company.
- Excellent organic growth projects.
- Low cost, integrated operations.
- Experienced management team.
- Strong financial performance / investment grade since 2005.
- Outstanding dividend history.
- Good long-term copper & by-product fundamentals.

ESG at the Core of our Strategy

STRONG ESG COMMITMENT

- ✓ In 2025, Southern Copper ranked 4th among 256 companies in the Mining and Metals sector of the S&P Global Sustainability Yearbook and stood in the top 2% of best performers.
- ✓ SCC was recognized by Morningstar Sustainalytics as an ESG Industry Leader and was ranked 7th among 215 companies in the metals sector with diversified operations.

ESG RECOGNITIONS

- ✓ Tandem Global, recognized our Buenavista del Cobre Mine for its biodiversity conservation efforts in the Sierra La Elenita ecosystem in Cananea, Sonora.
- ✓ Each year, more than 9,000 people benefit from our educational, sports, and cultural programs in the communities where we operate.

COMMUNITIES' DEVELOPMENT

- ✓ The National Water Authority awarded Southern Peru the "Certificado Azul" and the distinction of "Water-Responsible and Community-Supportive Company" for the efficient management of water at our Toquepala operations and for the contributions to strengthening agriculture in Ilabaya and Candarave, including the restoration of 61 hectares of terraces and traditional crops, benefiting 720 farmers.
